April 17th, 2017

To all Members of the Milwaukee Radio Amateurs Club:

Elections for club positions are this month.
There are three Board of Director positions available for nomination.

We are sending out this personal reminder too all club members that are eligible to vote to ask them if they are interested in running for the openings on the board of directors' of the MRAC or would like to nominate someone to fill the elected positions. All that is required of a candidate is that they be a member of the club in good standing; meaning that their dues are paid up for the year of 2017.

The Board of Director openings are for two year terms.

The Club by-laws dictate that we hold elections yearly to provide interested parties the opportunity to serve their club in an official capacity. **This year's openings are for three Board Members.** Next year's elections (2018) will be for the remaining four Board Member positions. The officers of the club, such as Secretary, Treasurer, Vice-President, and President are picked by the newly elected Board members, along with the standing Board Members.

Club Board Members meet once a month to discuss club business, so the position is not a difficult one. It is important that everyone in the Milwaukee Radio Amateurs Club have an active voice in its affairs. So election time is very important in setting the direction in which you want your club to proceed.

We urge everyone to consider candidates for elected offices. Whether you want to run for office yourself or nominate another club member. We would like any nominations to be forwarded to the newsletter editor at kc9cmt@earthlink.net, for publication in the HamChatter. Nominations should be forwarded to the newsletter editor on or before April 22nd, so that the nominations can be documented in the April HamChatter.

The Election will be held before the presentation at the April meeting.

Sincerely,

Michael B. Harris, Kc9cmt
